# Jacqueline Lichtenberg

## Those of My Blood

### Reviews

The author of the *Dushau Trilogy* and the *Sime-Gen* series ably integrates vampire lore with sf intrigue in a novel which should have broad appeal. **Library Journal**

...fascinating work, interweaving a wealth of vampire lore with her rigorously developed science fictional premise. . . plenty of intriguing detail . . . perceptive development of the inherent human vampire conflict.

### Rave Reviews

Imaginative, involving writing

will keep fans of Chelsea Quinn Yarbro's "Saint Germain" . . . and Anne Rice's vampires . . . up all night reading. . . . satisfyingly complex. **School Library Journal**

. . . should please the book's natural audience of romance readers . . . **Publishers Weekly**

The supernatural romance has "haunted" readers for a long time. From the mystical reincarnation of Anya Seton's *Green Darkness* to the space-faring vampires of Jacqueline Lichtenberg's marvelous *Those Of My Blood* . . . readers have cherished a variety of classics . . . **Romantic Times Magazine**

## Earth's Vampires

### Defend Earth

Killed in a car crash and buried by his fiancé 20 years before *Those of My Blood*, Titus Shiddehara has been forbidden by his Vampire "father" to reveal his existence to his human love.

On a mission to prevent a signal from Earth reaching an interstellar enemy, he meets her by accident. She recognizes her dead fiancé in the presence of his "father" who now feels obligated to destroy her – or them both.

Can their love become trust – and save Earth from certain invasion while fighting a more powerful Vampire for their lives?
